III. READING COMPREHENSION

Claudia, 12 years old

My name is Claudia and I live in Toronto, Canada. My birthday is tomorrow, January 7th. I like my birthday because I am the oldest girl in my class. Because my birthday is in winter I am going ice-skating with my friends. Afterwards we are going to a local restaurant to eat pizza. I like to open gifts and cards at home later and then have some delicious chocolate cake and ice cream.

Jake, 14 years old

My name is Jake and I live in Florida. My birthday is August 8th and because my friends are often on vacation I usually just celebrate with my two brothers. It is really hot in Florida in summer so we go to the beach. We like to go swimming and surfing. Afterwards we go and eat Cuban food at my favorite restaurant. At night, I open gifts from my family.

Gloria, 11 years old

My name is Gloria and I live in Australia. My birthday is December 25th, the same day as Christmas! It is difficult to have your birthday on the same day as another celebration as my friends sometimes forget my birthday. My parents are great and often buy me one big gift and many smaller gifts. This year I am getting a new bicycle and I am allowed to host a party at my house with lots of cake, balloons, dancing and music.
