Insert the number of each feature at the point where they occur. You should insert each number once only.

Instrumental Introduction

The sun is cold and water, the ponds are deeply frozen.

Of all the times for travelling, it's not when we'd have chosen.

Are you sure you know your way back to the duckyard?

We seem to be going round in circles.

Shut up! It's the snow. It makes everything look the same.

The skies are grey and menacing, a blizzard would seem certain.

And even good King Wencenslas

Would not draw back his curtain.
