

Resuelve las siguientes divisiones

594 | 2

531 | 2

913 | 2

980 | 2

128 | 2

968 | 2

A blank place value chart with columns for thousands, hundreds, tens, and ones. The thousands column is labeled '968' and the ones column is labeled '2'. The chart is divided into four sections by horizontal lines: the top section for thousands, the second section for hundreds, the third section for tens, and the bottom section for ones. Each section contains three empty boxes for digits.
