READING (10p)

Lucy

I love all sports, but I think my favourite hobby is cycling. I love it because you can do it **alone** or with your friends. And it's great because you're outside in the fresh air. Of course, there are some days when the weather is **terrible** and you don't want to leave your house. But I always prefer outdoor activities and I try to ride my bike every day. I really don't want to be inside playing video games – I think that's so boring!

Fran

I did an art course last year and it was excellent. Now I spend a lot of time drawing and painting at the weekends. My friends tell me that my pictures are really good. **Perhaps** that's because I do lots of paintings of them! But I really enjoy being outside too and painting different things from nature. That's **hard** when it's raining, but it's the best hobby when the weather is good!

Pat

I don't have a lot of time in the week to do different hobbies and I'm not that interested in sport really, so I like hobbies that I can do at home. In my free time, I love reading. I especially love books about famous people from history. A lot of my school friends think that I'm crazy because we have to read so much at school as well! They don't understand why I don't want to be outside doing something with them.
