

1. Define Cultures and Subcultures:

- What do you think are the main differences between cultures and subcultures?

- Can you give examples of subcultures that exist within the larger culture of your school or community?

2. Cliques in School:

- Identify some cliques that you notice in your school, such as jocks, geeks, nerds, and stoners.

- Discuss the values, attitudes, and behaviors associated with these cliques.

- How do these cliques influence the behavior and attitudes of their members?
