

It's a really nice city - Homework

6. From City to City

A. Scan the webpage. Where is each city?

SEOUL

Seoul was founded in 18 BCE. It is South Korea's capital and today has a population of 10.5 million people. Seoul is famous for producing popular music and films that are very well known in Asia, Latin America, and the Middle East. The city is surrounded by mountains and located on the Han River. It has an excellent transportation system that can take you to 115 museums, monuments, parks, and music festivals throughout the city. The best time to visit Seoul is in the fall and the spring. Winters can be quite cold and summers very hot.

QUITO

Quito sits 2,850 meters above sea level and is the highest capital city in the world. Its population is 2.6 million people. The city is located near the equator in the country of Ecuador (which means "equator" in Spanish). Quito's downtown center, one of the most beautiful in the Americas, has not changed much since the Spanish founded the city in 1534. On a day trip from Quito, you can go walking in the mountains and visit a volcano there. Because of the city's elevation and location on the equator, the weather there is pleasant all year.

RABAT

Rabat is located on the Atlantic Ocean. It was founded in 1146. Although Rabat is the capital of Morocco, its population is only about 580,000 people. The weather is cool at night with hot days in the summer and mild days in the winter. Mawazine, a famous world music festival, takes place in Rabat in the spring. You can visit the Kasbah, an old fortress, and enjoy the architecture, gardens, and the view of the ocean. Rabat's outdoor markets sell beautiful handmade goods. Explore the city and enjoy a delicious Moroccan meal!

B. Read the webpage and complete the chart.

City	Date founded	Population
Seoul		
Quito		
Rabat		

Attractions
