

School Rules

Everyone knows my class is cool

because we know all the rules in.....

Webehave in class every day,

we follow the rules as we work and play.

Here is a rule, the most important of all,

weto everyone, both big or small.

We must be kind and treat everyone with care,

taking turns is important and we always share.

Weto our teacher with both ears,

our voices..... be quiet so others can hear.

We must raise our hand to talk, we interrupt,

then we must use a speaking voice, never a shout.

When it's the break and we have to go,

we must..... and walk in a quiet row.

Everyone knows my class is cool,

Because we all follow all the rules in school.
