

## SONG WORKSHEET

[Chorus]

Baby, you're the baddest  
Baby, you're the baddest 1.\_\_\_\_\_, and, uh  
Nobody else 2.\_\_\_\_\_  
Nobody else matters girl, and, uh  
We're kissing in the 3.\_\_\_\_\_  
We're kissing in the bathroom girl, and, uh  
I hope nobody 4.\_\_\_\_\_ us  
But I kinda hope they catch us, 5.\_\_\_\_\_

[Verse 1]

A New York nine's an everywhere else 6.\_\_\_\_\_  
Timewise, the opposite goes for chicks  
I'm in a taxi, texting with my best 7.\_\_\_\_\_  
He's sleeping with this girl that he met up on the West End  
He's lucky, she's a career 8.\_\_\_\_\_, no kids  
Most girls see the 9.\_\_\_\_\_ and try and gold dig  
Most hoes poke holes in Trojans  
Most people don't fuck and hit the lotto but my folks did  
I'm a 10.\_\_\_\_\_  
That don't rhyme with shit, it's just 11.\_\_\_\_\_  
Don't bring your girlfriend here, it's just you  
When I'm depressed, you're 12.\_\_\_\_\_ I run to  
But, I guess meet me at Pianos  
They cross-fadin' off of Nanos  
Ugh, on that 13.\_\_\_\_\_ shit  
And you's a hipster, bitch  
Yo, but not in the 14.\_\_\_\_\_ way  
Like, you ain't livin' out in BK  
Like, you ain't workin' on a 15.\_\_\_\_\_  
Like, your baby daddy ain't a 16.\_\_\_\_\_  
Like, she listenin' to old Freeway  
'Cause everybody listens to Biggie, but she 17.\_\_\_\_\_  
Right, that's why your friends need wristbands?  
Fuck you  
Can I have this 18.\_\_\_\_\_?

[Chorus]

[Verse 2]

We can 19.\_\_\_\_\_ if you want to, like  
We in love and started dating at your art 20.\_\_\_\_\_  
'Cause either way, we both lying more than half of the time  
Except for when I'm home workin' on your 21.\_\_\_\_\_ design  
Every time we see each other, I'm taking you 22.\_\_\_\_\_  
Our relationship has gotten Sylvester Stallone  
Yellow-911-Persian girl-in-the-back car  
But me writin' a verse would be the only way they buyin' a bar  
White boys used to 23.\_\_\_\_\_ and send me over a gin  
But they busy showin' off each other Indian friend  
She got ironic tattoos on her 24.\_\_\_\_\_  
That ain't 25.\_\_\_\_\_ bitch, I love Rugrats  
Watching lames handle they fame, they bang any broad with bangs  
In a band with an 26.\_\_\_\_\_ name  
Hannibal came drinkin' a handle of Jameson  
Analling anyone is the plan for the evening  
I'm kidding, 27.\_\_\_\_\_  
Girl cryin' on Ludlow, she still look good 28.\_\_\_\_\_  
Love is Eastside, who are you to 29.\_\_\_\_\_?  
Movie ass; not a 10, but a super 8  
You ain't see me at the show? I was super great  
Hotel penthouse, gon' and let it ruminate  
City never sleeps, so I guess I'm never 30.\_\_\_\_\_ on  
Did everything I could, then I kept 31.\_\_\_\_\_

[Chorus]

[Bridge]

Ooh, girl, I wanna 32.\_\_\_\_\_  
Are you ready to cry? 'Cause I'm no good, no good  
Ooh, girl, I wanna 33.\_\_\_\_\_  
I'm an awful guy and I'm 34.\_\_\_\_\_ away  
And I'm tryin' to say I'm a 35.\_\_\_\_\_ of shit  
Believe in this, I'm tellin' you  
'Cause we barely 36.\_\_\_\_\_ what we had  
I'm not that bad, the 37.\_\_\_\_\_ we had  
Ooh
