Charles, however, surprised everyone by painting a traditional Sunday roast dinner! When he was asked why he chose such a strange subject, he said that eating a roast dinner with his family every Sunday was really important to him and this was the thing that he missed most when he visited other countries.

Maria

Maria was very happy when she won a competition to bake a birthday cake for the headteacher of her school. It was the first time that she had ever cooked anything. She found out on the internet what she needed to buy and what to do. She was going to ask her grandmother to help her because she makes beautiful cakes but then she decided to do it all by herself. Maria's prize was a cooking lesson with a TV chef. She can't wait to meet him!

Spiros

Spiros won a short story competition. The competition was open to anyone in his city who is under eighteen. Spiros has been writing stories for many years and he loves reading. However, he only reads stories in books and not on the computer or on a tablet. He hates the internet and technology, in general. He has many, many books in his house and never throws them away. Spiros says that he will always write stories and he is sure that he will become a rich and famous writer in the future.
