

Unit 5 – Lesson 6

Ling: Congratulations, Bruno! I heard you're the new
in your class! That's a great

Bruno: Thanks! What you do if you a class
leader?

Ling: I'd all of the students to try new things.

Bruno: If you change one thing, what you
change?

Ling: I'd that we have free music lessons. That way
everyone could learn to play a musical instrument.

Bruno: That's a cool! If you had a choice, would you
play the piano?

Ling: No, I I'd choose the guitar because it's my
favorite instrument.
