

Like the legend of the [redacted]
All ends with beginnings
What keeps the planet spinning
The force from the [redacted]

We've come too far, to give up who we are
So let's raise the bar and our cups to the stars

She's up all night to the sun,
I'm up all night to get some
She's up all night for good fun
I'm up all night to get [redacted]

We're up all night to the sun,
we're up all night to get some
We're up all night for good fun
we're up all night to get lucky
We're up all night to get lucky
we're up all night to get lucky
We're up all night to get lucky
we're up all night to get lucky

The present has no [redacted]
Your gift keeps on giving
What is this I'm feeling?
If you want to leave, I'm with it

We've come too far, to give up who we are
So let's raise the bar and our cups to the [redacted]

She's up all night to the sun,
I'm up all night to get some
She's up all night for good [redacted]
I'm up all night to get lucky
