I really like my boss. She's <sup>1</sup> flexible about the hours we work. We can change the <sup>2</sup> \_\_\_\_\_ of our lunch break as long as we talk to her first. We can also change our holiday dates right up to the last minute. However, she does have a <sup>3</sup> \_\_\_\_\_ policy about clothes. We have to wear <sup>4</sup> \_\_\_\_\_ clothes at the office. We aren't allowed to wear <sup>5</sup> \_\_\_\_\_ dress, such as jeans. My boss is also careful about <sup>6</sup> \_\_\_\_\_ and safety rules. She makes sure that we have regular <sup>7</sup> \_\_\_\_\_ drills and everyone has to do a <sup>8</sup> \_\_\_\_\_ aid course.
