Reading

2. Read the text and choose the correct answer (A, B or C).

Last summer, my family and I travelled abroad for the first time. When we arrived at the airport, we went straight to the check-in desk to leave our baggage. The airport was very crowded, so we had to stand in a long queue before we finally got our boarding pass.

After that, we went through passport control and security check. The officers checked our bags carefully and told us to follow the signs to the departure gate. On our way, we passed the baggage hall where people were waiting for their suitcases from earlier flights.

Finally, we reached our gate just in time. We checked in, waited a few minutes, and then boarded the plane. After landing, we had to go through customs before we could pick up our luggage and get back to the hotel. It was a long trip, but we enjoyed every moment of it.

1. Where did the family go first when they arrived at the airport?
   A. To passport control
   B. To the check-in desk
