Salesperson (S): Good morning. Welcome to ElectroMax. How can I help you today?
Customer (C): Good morning. I'm looking for a new …… .
S: Certainly. Are you interested in a chest freezer or an upright freezer?
C: What is the difference?
S: The chest freezer is better for …… , but the upright one takes up less floor space and has ……...
C: I see. O don't have much space. I think I prefer the upright model.
S: Great. How much …….. do you need? This small one is 10 cubic feet, and this large one is 20 cubic feet.
C: The 10 cubic feet model looks perfect for my kitchen. How much is it?
S: That one is $550. It also comes with a two-year …… .
C: That's a good price. Does the price include delivery and …….. ?
S: Yes, delivery and installation are free this month. When would you like us to deliver it?
C: Can you deliver it on Saturday?
S: Yes, Saturday is fine. I can process the payment for you now.
C: Thank you!
