

1RO A PRIMARIA: NOMBRE COMPLETO: _____

FECHA: Martes 25 de noviembre del 2025

Descubrimos patrones en las luces del árbol.

A. Mira las luces del árbol navideño y responde.

1. ¿Qué colores ves?

2. ¿Se repiten en algún orden?

3. ¿Qué color vendría después del último foco?

B. Colorea los focos que faltan para completar el patrón.

a. ● ● ● ● ● _____

b. ● ● ● ● ● _____

c. ● ● ● ● ● _____

Escribe con tus palabras la regla que seguiste:

4. Describe el patrón numérico y completa.

Diagram 1: A sequence of six green circles. The first three contain the numbers 11, 13, and 15. Above each circle is a box containing a red '+' and a black '-'. Red curved arrows point from the '-' of one box to the '+' of the next box, indicating a pattern of adding 2.

Diagram 2: A sequence of six pink hearts. The first two contain the numbers 17 and 20. Above each heart is a box containing a red '+' and a black '-'. Red curved arrows point from the '-' of one box to the '+' of the next box, indicating a pattern of adding 3.

Diagram 3: A sequence of six green starburst shapes. The first two contain the numbers 23 and 26. Above each shape is a box containing a red '+' and a black '-'. Red curved arrows point from the '-' of one box to the '+' of the next box, indicating a pattern of adding 3.

Diagram 4: A sequence of six yellow octagons. The first two contain the numbers 14 and 18. Above each octagon is a box containing a red '+' and a black '-'. Red curved arrows point from the '-' of one box to the '+' of the next box, indicating a pattern of adding 4.
