

Before You Go Lyrics:

[Verse 1]

I fell by the wayside like everyone else
I hate you, I hate you, I hate you but I
was just kidding myself Our every
moment, I start to replace 'Cause
now that they're gone, all I hear are
the words that I needed to say .

[Pre-Chorus]

When you hurt under the surface Like
troubled water running cold Well,
time can heal but this won't.

[Chorus]

So, before you go Was there
something I could've said To make
your heart beat better? If only I'd have
known you had a storm to weather
So, before you go Was there
something I could've said To make it
all stop hurting? It kills me how your
mind can make you feel so worthless
So, before you go.

[Verse 2]

Was never the right time, whenever
you called Went little by little by little
until there was nothing at all Our
every moment, I start to replay But all
I can think about is seeing that look
on your face

[Pre-Chorus]

When you hurt under the surface Like
troubled water running cold Well,
time can heal but this won't .

[Chorus]

So, before you go Was there
something I could've said To make
your heart beat better? If only I'd have
known you had a storm to weather
So, before you go Was there
something I could've said To make it
all stop hurting? It kills me how your
mind can make you feel so worthless
So, before you go.

[Bridge]

Would we be better off by now If I'd
have let my walls come down?
Maybe, I guess we'll never know You
know, you know.

[Chorus]

Before you go Was there something I
could've said To make your heart beat
better? If only I'd have known you had
a storm to weather So, before you go
Was there something I could've said
To make it all stop hurting? It kills me
how your mind can make you feel so
worthless So, before you go.
