My town is very old and (1) \_\_\_\_\_ - there are lots of buildings and monuments to look at. It has an old quarter which has lots of bars and restaurants. At the weekend the atmosphere there is always fun and (2) \_\_\_\_\_. I would recommend Donatello's restaurant as it has great pasta dishes. But on Friday evenings it's very popular and it gets really (3) \_\_\_\_\_, so sometimes it's difficult to get a table. Also it's impossible to have a conversation with your friends because it's really (4) \_\_\_\_\_ with all the people talking at once. The town centre is very different to the old quarter. It was built quite recently so the buildings are more (5) \_\_\_\_\_, and it has a great shopping centre.

Hi Emma,

Thanks for your email about your town. It sounds like a really nice place to live. I live in a big city built on a group of islands. It's quite industrial and we have lots of (1) \_\_\_\_\_, which means there is pollution. I live in the centre in a (2) \_\_\_\_\_, so I have lots of neighbours on both sides and the shops are nearby. Lots of my friends from school live nearby and so I've always got someone to chat to, which is great as I'm very (3) \_\_\_\_\_. I take the (4) \_\_\_\_\_ to school. I have to change once but the journey is really quick. My sister doesn't come with me. She prefers to catch the bus because she likes to look out of the window. So I think I'm quite lucky to live here. If I get bored at the weekends, I sometimes catch the (5) \_\_\_\_\_ across the water to the mainland and visit my cousins.

Speak to you soon,

Danny
