

BIRDS OF A FEATHER - Billie Eilish

I want you to

'Til I'm in the grave

'Til I rot away, and buried

'Til I'm in the casket you

If you, I'm going, uh

'Cause it was you, alright

And if I'm turnin' blue, please me

Nothing left to lose my baby

- Birds of a feather, we should stick together, I know
- Can't change the weather, might not be forever
- And I don't know what I'm cryin' for
- I said I'd never think I wasn't better alone
- I don't think I could love you more
- It might not be long, but baby, I
- But if it's forever, it's even better

I'll love you 'til the day that I

'Til the day that I die

'Til the light leaves my

'Til the day I die

I want you to, hm

How you to me, hm

You wouldn't believe I told ya

You would keep the compliments I throw ya

But you're so of shit, uh

Tell me it's a bit, no

Say you don't see it, your mind's polluted

Say you wanna quit, stupid

And I don't what I'm cryin'

I don't think I could you more

Might not be long, but, I

Don't wanna say
