I could ____ you up
I could show you what you wanna see
And take you where you wanna be
You could be my ____
Even if the sky is ____ down
I know that we'll be safe and sound

[Chorus]

We're safe and sound

[Verse 2]

I could ____ your cup
You know my river won't evaporate
This world we still appreciate
You could be my ____
Even in a hurricane of frowns
I ____ that we'll be safe and sound

[Chorus]

(Safe and sound)

We're safe and sound

(Safe and sound)

We're safe and sound

(Hold your ground)

We're safe and sound

(Safe and sound)

[Verse 3]

I could show you love
In a tidal ____ of mystery
You'll still be standing next to me
