Preschool

May Newsletter

What's Coming Up...

During the month of May, preschool will be focusing on seeds, plants and flowers. Our friends will be planting seeds in their own terrariums and observing how they grow.

We have some great celebrations this month, including Cinco de Mayo.

One of our most exciting events of the year is our Mother's Day Tea and this year we will celebrate by having a Mommy and Me Yoga.

The second half of the month will focus on insects and emotions through an author study on Eric Carle. His beloved books will bring much knowledge to our preschoolers. We will also be rounding out our color days with Purple Day.

Reminder to Moms

- Please choose a date which works best for you for our Mother's Day Celebration and sign up on our parent board.
- Keep in mind the change of season, and add the appropriate clothing to your child's bag.
- Please take home snow boots and pants.

Please help us welcome Jonah into our preschool classroom. We are so excited to have him join us!

Did you know we are now on Facebook! We're excited to have another avenue of communication with our Alphabet family. Find us at: **www.facebook.com/AlphabetAcademyofCT**

Upcoming Events

May 3rd - Mother's Day Tea and Mommy and Me Yoga
May 5th - Cinco de Mayo
May 10th - Mother's Day Tea and Mommy and Me Yoga
May 30th - Memorial Day, No School

Donations

2 Liter Bottles (20)
Seeds/Beans
Soil
Planters/Pots
Watering Cans
Fresh Flowers (maybe from your garden)

Did You Know?

- Many of the fruits, vegetables, and other edible plant parts in supermarkets sprout from stems and stalks. However, seeds and roots can be food sources by themselves.
- Seed foods include sunflower seeds, beans (which actually are soft, protein-rich seeds), and cereal.
