2. Read and answer.

Hello, my name's Tony. I'm going to visit my grandparents next week. I'm going to get to their house by bike and train. I'm going to do exercise by biking to the train station. Then, I'm going to park my bike there and take the subway. It helps me save money. I often read book or listen to music on the subway. When I arrive at the station, my grandparents are going to come and pick me up. We're going to eat delicious food and go to the zoo. I'm very excited and look forward to visiting them.
