KET – Part 3

Read and choose the correct answers.

MY CITY

I live in the center of London. I love it because there is always something happening and there are people around whatever time it is. Famous people like it too - they often come here for restaurants and shops.

I have lived here all my life. When I was little, I had singing lessons at a place near where I live now. I was afraid of the teacher at first, and some of the songs we did together were quite hard to learn. But she was good at what she did and I learned a lot of things that have helped me in my **career**. I am glad I did them.

When friends visit me now, I enjoy taking them sightseeing. You can get a bus around the city, but walking is the best way to see the city. I've got a little car and I love driving, but there's so much traffic here, and it's hard to find parking places.

One building I love is the Natural History Museum. I had a special experience there. Last December my band and I played there. I will never forget it. When I go to exhibitions at the museum with friends, I tell them about that night and how amazing it was.

Soon I will be leaving London to go on tour with my band. We're playing in lots of new cities and I can't wait to explore them. We have sold lots of tickets, which is great. I will be away from my family for six months, but they're coming to see me sing, so it's fine.
