

"In my future house, \_\_\_\_\_ a spacious living room with large windows. The kitchen \_\_\_\_\_ modern and bright, and in the garden \_\_\_\_\_ a small pond and a wooden bench. The bedrooms \_\_\_\_\_ on the second floor, and near the entrance \_\_\_\_\_ a long hallway. The bathrooms \_\_\_\_\_ equipped with smart mirrors. In the girl's bedroom, \_\_\_\_\_ soft pastel walls and a big bookshelf full of stories. Her bed \_\_\_\_\_ cozy and placed near a window so she can watch the stars at night. Behind the house, \_\_\_\_\_ a small greenhouse for herbs."

In my future school, \_\_\_\_\_ a bright entrance hall with colorful lockers. The classrooms \_\_\_\_\_ spacious and filled with new technology. Near the library, \_\_\_\_\_ a quiet reading corner for students. The science labs \_\_\_\_\_ modern and safe to use. Outside, \_\_\_\_\_ a large playground and a small garden for outdoor lessons.
