ANSWER THE QUESTIONS ABOUT THIS TEXT

My name is Lucas, and this is my daily routine. Every morning, I wake up at 7:00 a.m. I wash my face and brush my teeth. Then, I get dressed and prepare my breakfast. I usually eat toast with butter and drink a glass of orange juice.

At 8:00 a.m., I leave my house and walk to school. My classes start at 8:30 a.m. and finish at 2:30 p.m. During the day, I study math, science, and English. My favorite subject is English because I love learning new words and practicing grammar.

After school, I go home and have lunch with my family. My mom usually cooks something delicious like pasta or chicken with vegetables. After lunch, I do my homework. Sometimes, I listen to music while I study.

In the evening, I like to relax. I watch TV or play video games with my brother. At 8:00 p.m., we have dinner together. Then, I take a shower and read a book before going to bed. I usually fall asleep around 10:00 p.m.
