01. Read the text and answer the questions.

Hello! My name is Daniel. I'm eight years old and I live in a small town in Spain.

I live with my mum, my dad, and my little sister.

I like drawing and my favourite colour is blue.

Every day, I wake up at seven o'clock. I get dressed, brush my teeth and have breakfast.

At half-past seven, I go to school with my best friend, Max.

Max is from Brazil, but he lives in Spain now.

My favourite subject is English, because I like learning new words.
