WHEN'S YOUR BIRTHDAY?

Hi! I'm Amy and I'm from York, in England. My birthday's in December – it's my favourite month! It's very cold here in December.

For my party I get lots of cards and presents. We eat sausage rolls and drink orange juice. My birthday cake this year is a butterfly. I love it!

Hi! My name's Sophie and I'm from Sydney, in Australia. My birthday is in December. I love December – it's hot and sunny!
For my birthday we have a barbecue in my garden. And we eat fairy bread, cut into triangles. Everyone sings Happy Birthday.
