

Exercise 4. Complete the text with *the* or  $\emptyset$  (zero article).

A recent study in (1) \_\_\_\_\_ UK shows that family time traditions are good for (2) \_\_\_\_\_ teens. These traditions include family members playing card games, watching their favourite TV programmes, or performing (3) \_\_\_\_\_ karaoke shows at weekends with one another. These activities often lead to lots of laughter and (4) \_\_\_\_\_ fun conversations. By taking part in such activities, teens strengthen (5) \_\_\_\_\_ bonds with their family.
