Marie Antoinette's life stories of love and hate. It is both fascinating and horrible. Marie Anrtoinette was born in Vienna in 1755. She moved from Austria to France at the age of 14 to marry the future King Louis XVI. Most French people fell in love with her beauty and charm. A few years after her marriage, she becoming Queen at the age of 18.

But the story doesn't end well for the young queen. Although she to adapt to French customs, he never really succeeded. Over the years, the French people that Marie Antoinette loved dancing, gambling and spending lots of m oney on fashion. They started to hate her lifestyle, and soon the Queen's glamorous life a tragedy. In 1793, the court of the French Revolution sentenced to death by guillotine for spending too much public money and acting against the security of the French state.
