

B4-B6 NO, NOT, NOR, NEITHER, NONE

CARD 1

1. "Do you prefer TikTok or Instagram?" – ".... I find them both a bit overwhelming, to be honest."
2. There is ... point in arguing with him; he never listens.
3. ... every viral trend on the internet is worth following.
4. I've decided ... to book the package tour and instead plan my own itinerary.
5. "Are you team 'work from home' or 'back to the office'?" – ".... I think a hybrid model is the best solution."
6. It's ... use trying to call her; her phone is switched off.
7. ... only does this language app make learning fun, but it also uses AI to adapt to your level.
8. I do ... understand the hype around that new reality TV show.
9. ... sooner had we left the house than it started to rain heavily.
10. He was ... impressed nor interested in the latest viral meme.
11. "Is there any reason to worry?" – "... at all. Everything is under control."
12. It's ... good staring at the screen; you need to take a break.
13. I tried to use three different translation apps, but I found ... of them perfectly accurate.
14. She has ... posted on her Instagram story all week.
