

Dear Huda,

How are you? I hope you are ok. I am writing to tell you about **National Day** at my school. It is on **16th December**. I practice my song and **make small red and white flags**. I wear **red and white clothes**. I need to bring **a water bottle, snack, and a small flag**. We **sing, watch shows, and play games**. I **like it because it is fun**. write to me back to tell me how you celebrate at your school.

Yours,

Nora
