

I'm captivated, I'll say it  
I'm on a whole new intrigue  
My space invaded, upgraded  
I hear You talkin' to me  
It's in the boom of the thunder, it's in the cool of the rain  
And I'll say (I'll say) I don't ever want to get away  
Tonight is beautiful  
It's got my mind on You  
And everywhere I turn is a reminder (Reminder)  
I see You in everything, all day  
And every beat of my heart keeps remindin' me  
I see You in every little thing, all day  
No matter where I go I know Your love is findin' me  
I see You in (Everything, everything) everything  
You're all up in (Everything, everything) everything  
(Everything, everything, everything, everything)  
Everything, You're all up in (Everything,  
everything) Everything (Everything, everything)  
Let's go, J-Mac!  
My soul's awoken  
I'm taken by all the beauty You bring  
You got it blarin', I'm starin'  
Love watchin' You do Your thing  
There's no mistakin' Your style (Ooh)  
No mistakin' Your touch  
I see the grand, I see the subtle of Your love  
I see You in everything all day  
And every beat of my heart keeps reminding me  
I see You in every little thing, all day (All day)  
No matter where I go I know Your love is findin' me  
I see you in (Everything, everything) everything.
