I. READING COMPREHENSION (4,0)

Hector first trip

Last week, my mom and I traveled to Italy. First, we went to Roma, we ate pizza and drank soda in a big restaurant. Later we visited the Pisa Tower, we took photos and saw many people taking photos too. We didn't go to Florencia because we didn't have time, but we met with some friends and went to cinema, we watched but we didn't eat pop corn because it was so expensive. At night, we stayed at a beautiful hotel when we swam, but we didn't sleep so well because it was so hot. Yesterday we came back to Colombia, but we didn't want to come back, we were so happy in Italy.
