UNIT 5: TECHNOLOGY – VOCABULARY 2 & CAE LISTENING

A. TIPS

✅ **Step 1: Underline Keywords (Gạch chân từ khóa)**

Mục tiêu: Giúp tập trung vào thông tin quan trọng khi nghe.

Cách làm:

- Gạch chân danh từ, động từ, tính từ mô tả – đó là từ khóa chính.
- Từ khóa giúp bạn biết cần nghe gì và so sánh thông tin nhanh hơn.

🧠 Tip: Đừng gạch chân mọi từ – chỉ chọn những từ "chứa thông tin"!

⚠️ **Step 2: Watch Out for Traps (Tránh bẫy)**

Mục tiêu: Tránh bị "bẫy" khi nghe.

Cách làm:

- Đề thường "gài" từ giống nhau giữa bài nghe và đáp án.
- Nghe ngữ cảnh, không chọn chỉ vì "nghe thấy từ đó"!

🎧 Ví dụ:

Question:

What sport does the girl want to try next week?

A. Tennis B. Basketball C. Swimming

Transcript:

Boy: Did you enjoy your swimming class yesterday?

Girl: Yes, but I've been doing that every week. I want to try something different now.

Boy: Like what?

Girl: Tennis sounds exciting!

👉 Đáp án: A. Tennis

💡 Vì sao?

"Swimming" được nhắc đến nhưng cô bé đã học rồi, không phải "muốn thử".

"Tennis" là môn cô bé muốn thử tuần sau → A. Tennis.

B. PRE-LISTENING: Match to make suitable collocations

1. sudden	1- ___	a. values
2. emotional	2- ___	b. support
3. universal	3- ___	c. shift

One section focused on how schools can (1) _____ educational technology to support students with different learning styles. We tested an app that uses (2) _____ to help learners practise speaking skills without a teacher.

Another part of the workshop discussed the problem of increasing (3) _____, which can reduce concentration and cause students to (4) _____ more easily during lessons.

At the end, we learned how researchers use smart devices equipped with a (5) _____ to collect data about classroom behaviour before (6) _____ their findings online.

D. HOMEWORK

VOCABULARY & GRAMMAR (10 questions)

I. Read the passage. Then decide whether the statements are TRUE or FALSE.

Last month, our school organised a special week about modern technology and communication. One talk focused on how teenagers use digital media and social media to interact online with friends, but the speaker also warned that spending too much time on screens can lead to addiction. She explained that long screen time can easily make students get distracted while studying.

Another session introduced new inventions. Students watched a small drone fly around the hall and learned how its sensors collect data for research. The presenter also demonstrated how robotics is used in factories, and how farms use artificial light to grow vegetables indoors. Everyone was excited to try a device using voice recognition, which could send a message simply by speaking.

The final part of the event showed how schools can develop educational technology and how students can safely share things online without revealing personal information.

Statements:

0. The speaker said that social media can help students interact online. ***True*** / ***False***

LIVEWORKSHEETS

1. The talk suggested that screen time never affects students' concentration. **True / False**

2. The drone demonstration showed how sensors collect data. **True / False**

3. Robotics was used for entertainment according to the passage. **True / False**

4. Students tested a tool that allowed them to send a message using voice recognition. **True / False**

5. The event encouraged students to share things online without worrying about safety. **True / False**

II. Combine the two sentences into one, using relative pronouns WHICH, WHO or WHOSE in NON-DEFINING RELATIVE CLAUSES. Use the second sentence as the relative clause.

0. Emma is a marine biologist. She discovered a new species of coral last year.

→ ***Emma, who discovered a new species of coral last year, is a marine biologist***.

1. My aunt lives in Copenhagen. She works for a global environmental organisation.

→ _____.

2. The museum opened a new exhibition yesterday. The exhibition features rare historical documents.

→ _____.

3. I spoke to Professor Klein. His research has influenced many young scientists.

→ _____.

4. They renovated the old library last year. The library was damaged during a storm.

→ _____.

5. We had dinner with Mr. Collins. I had been recommended to meet him by several colleagues.

→ _____.

CAMBRIDGE LISTENING PRACTICE (14 questions)

Lưu ý:

1. Khi làm bài tập có từ mới, các con phải tra từ điển. Sau khi tra từ điển, các con chép mỗi từ mới **1 dòng** để ghi nhớ.
2. Các con gạch chân các từ khoá chính trong bài.

10 You will hear three different extracts. For questions **1 – 6**, choose the answer (**A**, **B** or **C**) which fits best according to what you hear. There are two questions for each extract.

Extract One

You hear Nathalie and her brother David talking about thriller movies.

1 What is Nathalie surprised to read about thriller movies?
- **A** that very logical people tend to prefer them
- **B** that families who enjoy watching them together are happiest
- **C** that when we watch them, our bodies produce a chemical

2 David thinks watching horror movies is similar to going on a short holiday because both activities
- **A** allow people to escape everyday problems.
- **B** make people feel emotionally stronger.
- **C** stimulate people's creativity.

Extract Two

You hear two architecture students discussing covered overhead walkways called 'city skyways'.

3 What do they agree about trends in shopping?
- **A** Skyways have led to a decline in the number of city-centre shops.
- **B** Out-of-town shopping malls are less popular nowadays.
- **C** Increased deliveries from online shopping will cause problems.

4 What does the man think is the greatest advantage of skyways?
- **A** They are climate-controlled.
- **B** They are safe areas for pedestrians.
- **C** They are a solution to overcrowded streets.

Extract Three

You hear a radio discussion in which two educationalists, Sophie Lee and Gary Cole, are talking about sport.

5 Gary would like to raise public awareness of how sport contributes to
- **A** a child's social development.
- **B** a child's physical health and growth.
- **C** a child's understanding of the need for rules.

6 Sophie says that children who do sport are more likely to
- **A** go on to further education.
- **B** have a good school attendance record.
- **C** be motivated to succeed academically.

Advice

1 *The speaker's expression of surprise might follow the idea she is talking about, so listen attentively.*

2 *Listen out for another way of saying 'short holiday' – then you'll know you should focus on question 2.*

3 *Listen carefully to what the woman says about shops in her first turn and then listen to what the man agrees about.*

4 *This question asks about 'the greatest advantage'. That means the man will talk about all three advantages in options A, B and C, but will indicate that one of them is 'the greatest'.*

5 *You will hear similar words to those in all three options in the recording, so make sure you answer the question here.*

6 *Listen right until the end of the recording because that will help you answer this question.*
