★ Guided Example (Teacher-Led) - Read on Your Own if your Absent

Prompt: "Tell me about a time you solved a problem."

S – Situation:

At my after-school job, customers sometimes waited too long during busy hours.

T – Task:

I needed to help reduce the wait time and keep customers satisfied.

A – Action:

I reorganized my workstation, prepared supplies ahead of time, and communicated with my team so we could move faster. I also greeted customers right away so they knew we saw them.

R – Result:

Our wait time dropped by almost 5 minutes, and several customers complimented our improved service.

➔ STAR Answer (student sees the full polished version):

"At my after-school job, our line would get really long during busy times (Situation). My responsibility was to help reduce wait time (Task). I reorganized my workstation, prepared supplies before the rush, and communicated with my team to speed things up (Action). As a result, our wait time dropped by about 5 minutes and customers gave positive feedback (Result)."

★ Independent Example (Student Practice)

Prompt: *“Describe a time you worked well as part of a team.”*

S – Situation:

(Example fill: *During a group project in English, we had to create a presentation but were running out of time.***)**

T – Task:

(Example fill: *I was responsible for organizing everyone’s slides and keeping us on schedule.***)**

A – Action:

(Example fill: *I created a shared outline, divided tasks, and checked in with everyone to make sure we stayed on track.***)**

R – Result:

(Example fill: *We finished ahead of the deadline and earned a high score because our presentation was organized and clear.***)**
