Choose the Best Option

1. She practices every evening because she wants to become a professional (piano / pianist) one day.
2. The sound of the (drums / drummer) was so powerful that everyone in the hall felt the rhythm.
3. During the concert, the (violin / violinist) forgot the music for a moment but quickly continued playing.
4. This song needs a softer background, maybe the (harp / harpist) instead of the electric guitar.
5. A talented (saxophone / saxophonist) can make even a simple melody sound emotional.

LIVEWORKSHEETS

6. The (accordion / accordionist) plays at every town festival and knows almost everyone in the village.
7. When the music became faster, the (cymbals / cymbalist) added a sharp, bright sound at the right moment.
8. The orchestra was missing the (trombone / trombonist), so the brass section sounded weaker than usual.
9. He bought a new (guitar / guitarist) as a birthday present and started learning to play immediately.
10. The (piano / pianist) was placed in the centre of the stage under a soft white light.
