

Gendas: I don't think most of us see how _____ can help shape our future.

Kiko: What do you mean?

Gendas: Well, Kiko, if you take a closer look at our _____ on their social media...

Nuri: I see where you're heading, Gendas. I'm with you. I think they use their social media mainly for _____, which is not healthy for themselves and others.

Kiko: I'm not sure about that. Why? Because I also see them follow leading figures in their _____. You both must know Dinda, from the other class. She's a model. I see her _____ Kaya Gerber's Instagram. Maybe Dinda _____ to be a world-class model, just like Kaya?

Gendas: Interesting.

Nuri: Maybe we can investigate that and report it for our social science project?

Kiko: Sounds great, Nuri.

Gendas: Sure. Why not?
