Directions: Identify the figures of speech used in the short literary texts by accomplishing the chart provided.

Text A

The sky was a canvas,
painted with the
brushstrokes of sunset,
where the clouds danced
merrily like children in a
playground. The river sang
its song, whispering secrets
to the wind.

Text B

The moon hung like a silver
lantern in the night sky.
Trees whispered secrets in
the cool breeze. Stars
danced playfully, winking at
the world below
