

# FUTURES PLANS

Daniel is thinking about improving his English this year. He is going to take an online course every weekend. He already decided this because he wants to get better at speaking.

He also thinks he will practice with his cousin, who speaks English very well. Daniel isn't sure yet, but he believes they will study together on Fridays.

# QUESTIONS

1. Write one sentence using going to about Daniel's plan.
2. Write one sentence using will about Daniel's prediction.

# QUESTIONS
