

Reading Worksheet

Lecture:

Ana is planning a weekend trip with her friends. They want to visit a new city, but they are not sure about the weather. It may be sunny on Saturday, but it might rain in the afternoon. Ana may visit some museums if the weather is bad. Her friends might prefer to walk around the city. They also may try the local food, and they might take many photos if they find interesting places.

Multiple Choice Questions:

1. The weather on Saturday may be:
 - a) cloudy all day
 - b) sunny in the morning
 - c) snowy

2. Ana might:
 - a) stay home
 - b) go to the beach
 - c) visit museums

3. Ana's friends might:
 - a) walk around the city
 - b) go to school
 - c) travel to another country

4. They may:
 - a) try the local food
 - b) cook at home
 - c) skip meals

True or False:

5. Ana and her friends are completely sure about the weather. —

6. They might take photos if they find interesting places. —
