The Great Pyramid at Giza

I've been to many interesting places in my life. However, I'll never forget (25) the Great Pyramid of Giza in Egypt. It is also (26) as the Pyramid of Cheops, and it's one of the most famous tourist attractions in the world.

Last year, when I was on holiday in Egypt, we were driving from Cairo along the Nile valley, and we stopped to look at the pyramids. Fortunately, I had remembered (27) an extra battery for my camera! The Great Pyramid is nearly 140 metres high, and it's made (28) light- coloured stone. It's absolutely stunning, and it's incredible to think that it (29) over 4,000 years ago. Nobody knows exactly, but it (30) that the pyramids were made by pulling huge stones along the ground and lifting them into place.

After a few hours at Giza, we went on (31) more amazing sights at the Valley of the
