

PRESENT SIMPLE & PRESENT CONTINUOUS

HALLOWEEN

1. READ THE EXT BELOW:

My full name is Zara Ann Smith. And yes I'm a witch. I'm twelve years old and I live in Magic World where anything can happen. I'm going to school now. Today I have History and English. I have many friends at school. My best are Milly and Clara.

I live with my family in a very large house. My father is a wizard and my mother is a teacher. My sister, Sarah, is only six years old. She's very nice and I like playing with her. She hates my magic and zombies and my nasty cat but we get along very well. My parents are nice, too, but they are very strict about homework. I can't watch TV or play before my homework is done.

I like reading old stories and I like telling them to my friends Clara and Milly, they are witches like me. I also like surfing the Net to find information about witches and magic potions.

And I love going to the park, near the lake, to talk with my friends. It's very important to have friends. I'm also very keen on writing stories about ghosts and spirits. My favourite colours are orange and black and my favourite dish is spaghetti with mice. I enjoy listening hip-hop and fly on a broom.
