Going to a Parade

On August 17th, our school held a traditional parade in the school yard. The place became very crowded as students, teachers, and parents gathered early in the morning. Everyone looked excited because it was one of the most important events of the year. The atmosphere felt truly festive, with colorful flags and decorations hanging around the field.

When the parade started, the scouts led the march. They looked brave as they walked confidently past the audience. Behind them, the marching band wore patriotic uniforms and played loudly, making the whole school cheer. The dancers performed gracefully, and their movements were very inspiring to watch.

Next, each class showed their creativity in a competitive costume display. Some students represented heroes, animals, cultures, and even school subjects. The crowd watched happily, enjoying every moment. For me, the most memorable part was when my class won second place for best performance.

After the parade ended, we walked home feeling grateful for such a wonderful experience. It was truly a day to remember.
