1. Identify parts of an email

The screenshot shows a Gmail inbox interface. At the top, there are navigation buttons: 'Sent', 'Inbox' (with 54 emails), 'Compose', 'Snoozed', 'Starred', and 'Drafts'. Below the navigation bar, the Gmail logo and a search bar are visible. The left sidebar shows categories: 'Important', 'Categories' (Social: 1, Updates: 31, 5 Invites), and a 'Do Not Disturb' status. The main inbox area is divided into sections: 'Unread' (1-5 of 54) and 'Everything else' (1-5 of 73). The 'Unread' section contains three emails from Facebook, Elena Casarosa, and jfillory. The 'Everything else' section contains two security alerts from Google. Each email entry includes a checkbox, star icon, sender name, subject line, and timestamp.
