Hello everyone. My name is Sarah Smith. My friends like to call me Sarah. I am sixteen years old. I am from Thailand. I live in Lahansai, a small town in Buriram Province. I am currently a highschool student in my town. I am studying in Matthayom 5/1 at Ratchadapisek School. I am living with my Mom, Dad and my younger brother. When I'm at home, I liked to cook food with my Mom. I prefer to cook sweets and my mom cooked spicy dishes. I also like to play chess with my dad because I'm not an outdoor type of person. I guess I'll be a university student years from now. I would like to take engineering since I really love solving Math problems and the challenges it brings.
