

Sending Christmas Cards

Read the text and fill in the blanks with the correct word.

Every year at Christmas, I like to send (1) _____ cards to my family and friends. Many people prefer to send emails or text messages, but I (2) _____ physical cards feel more personal. First, I write a short message to tell my family how (3) _____ I care. Then I thank them (4) _____ their help during the year. After that, I pick a card with a nice Christmas design and put it in (5) _____ envelope. If my relatives live far away, I mail the card (6) _____ post. If they live (7) _____, I take it to their house. Writing real cards is a simple way to share joy.
