ENGLISH FINAL LEVEL EXAM

1) Read the text.

A day in the life of ...

This is Amir from the Bajau tribe in Borneo. His life is unusual. He lives with his family in a house – but it's in the water. Amir doesn't know his age or the date of his birthday. The Bajau tribe don't count days and hours; they use the movement of the sea to count time.

Every morning, Amir wakes up early, but he doesn't have breakfast. He and his father go out in their boat. They swim in the water to look for food for the day. Amir and the people in his tribe can see really well under water. Amir catches a fish for breakfast and his father catches an octopus for dinner.

After breakfast, Amir usually meets his friends. They don't go to school and they don't study subjects like English. The older Bajau people teach them how to make nets and build boats.

In the afternoons, Amir and his friends dive into the water from bridges and they play in the water, too. It's their favourite place!

In the evenings, Amir's mother and sisters cook the octopus and then the family has dinner together. It's always delicious!
