Hello, my name's Isabel. Last week we had a lesson about health in our science class. We learned about sickness and protecting health. In the lesson, our teacher said kids shouldn't eat too much fast food or candy because they are bad for our teeth and bodies. My friend Lucas likes eating snacks all the time, and now he's having a toothache. He feels terrible. My

teacher said we can eat all kinds of food, but we shouldn't eat too much of one kind. In our life skill classes, we also learn how to cook. It's cool!

**Read and write. (3 questions)**

Hello, my name's Ben. Last week I had to stay at home because I had the flu. It was very terrible. I always felt weak and stuffed up. I had to get some rest and take some medicine. In my science lessons, I know that there are many things to do to be healthy. Our teacher said children shouldn't stay up late and should do exercise every day. If we stay up late, we easily feel sleepy and tired. Instead, if we do exercise and go to bed early, we feel great and energetic. I think I will do more exercise to be better.

Last week Ben had to stay at home. He had the flu.

He felt weak and (28)\_\_\_\_\_.

He had to get some rest and (29)\_\_\_\_\_.

Ben's teacher said children shouldn't (30)\_\_\_\_\_ and should do exercise every day.
