

School Drama Day

The students at Hillview School are preparing for a school drama. They practise after lessons for two weeks. Some students feel nervous before going on stage, but their friends help them relax and smile.

During the drama, the students act, sing and try to _____ the audience. At the end, the school head thanks everyone who decided to _____ part in the project.

After the final scene, the whole group comes to the front of the _____. Many parents say this is the best school _____ they have ever seen.
