Whenever you're in danger

Chorus:

<u>1</u> Sometimes there are disasters,	<u>1</u> Police and paramedics,	<u>1</u> So accidents can happen
<u> </u> But when you are in trouble	<u> </u> Whenever you're in danger	<u> </u> There's help around the corner,
<u> </u> They can happen to us all.	<u> </u> They will come to rescue you.	<u> </u> But you're never on your own.
<u> </u> There are people you can call.	<u> </u> Brave firefighters, too.	<u> </u> Just pick up your telephone.
