For each question, choose the correct answer.

Travelling in the Glasgow area

The city of Glasgow has a modern underground rail network and plenty of buses and trains. It also has a few other forms of transport. The ferry (1) across the river Clyde between Yoker and Renfrew is popular with tourists. There has been a ferry here for around 500 years. The (2) takes about half an hour and it's an interesting way to see this part of the city. For a longer boat ride, you could try one of the cruises on the Clyde. The cruises (3) at the Riverside Museum and sail down the river past some interesting historical parts of the city. If you (4) trying something more adventurous, you could travel to the island of Mull on a seaplane. The (5) are quite expensive, but it's an experience you won't forget. Or why not try a helicopter flight? It's not cheap, but you get an amazing (6) of the city.
